COIN CO.**

PRICE \$1.00

Dear Customer:

This listing contains the E.C. Louis collection of Seated Liberty and Barber Coinage most of which is in mint-state condition. In addition to this we have been fortunate in acquiring several other collections including one with many nice gold coins.

The upward spiral of coin prices seem to have no immediate end in sight. In fact recent auctions have shown the price is no object to many collectors while acquiring allusive coins for their collection. We have attempted to keep our prices as low as possible so many of these coins will go quickly. Give us a call to hold any coin you may wish to purchase.

Sincerely,

Steve Ivy & Staff
